## **Why Was I Born? Bridging Birth and Justice** Richard Steinpach

Most serious seekers at one point or another in their lives have asked the fundamental questions of life: Where did I come from?, Why am I here?, Where am I going?, How did I come to be the way that I am? Although we have created a world around us that helps to distract us from contemplating such questions, at some level of our being, they haunt us, begging to be answered. In his book *Why Was I Born? Bridging Birth & Justice*, Dr. Richard Steinpach reminds us of the knowledge we have buried deeply within ourselves: that we are spiritual entities with a long history in this world and the many planes that exist beyond physical reality. He gives us the key to understanding ourselves and enables us to see far beyond that horizon dictated by our established view of the world. This book along with his earlier publication, *Why We Live After Death*, collectively casts a bright light on the previously enigmatic poles of human existence: birth and death. In the process, Steinpach creates a glimpse of a world in perfect balance, orchestrated by eternal laws that constantly return to each person exactly that which he has woven for himself in the great loom of creation. Steinpach offers the reader solid ground on which to stand. As we speed towards our destiny in a world experiencing unprecedented change, we can choose between ignoring the warning signs of a world out of balance or resolving to find that quiet place within ourselves that offers true shelter. Richard Steinpach has written a book that directs us to that place, and in doing so sets us on the right course to finding peace in the midst of chaos.
