"LIVE THE EXCITING LIFE OF A SECRET AGENT!"

This guide is a training manual to help kids become a Secret Agent.

Step 1 of becoming a Secret Agent is to learn as much about the subject as possible. This includes the history as well as the skills needed to find your path and become what you seek. Throughout this book you will learn historical facts as well as guidelines and suggestions to help you succeed. Whether you're reading this as a possible career path or just for fun this is your first step to a long and rewarding path to becoming a Secret Agent.

- A true Secret Agent is a master of himself and his environment and you must learn before you act. They are very smart, usually in the top of their class, and they are physically fit and athletic.
- The Secret Agent is very skilled and educated and belongs to a secret society that spies on, collects information, or to do whatever is required to their enemy. Sometimes they are sent to steal, create confusion or incite riots. They must do whatever it takes to complete their mission.
- Secret Agents are both male and female.
- The Secret Agent will sometimes work alone and was always on the offensive. In other words they wanted to blend into their environment and be invisible. They do not want to fight, but if they had to fight, they want to strike first without warning. They are experts in all types of hand to hand combat and are skilled marksmen.

Author's Notes: I wrote this book to inspire imagination in kids and contains Fiction as well as Nonfiction writings. Kids are growing up in the world of YouTube and video games and they don't read and use their

imagination like I did when I was their age. This book is fun to read and gets your child to actively participate in an exciting career and teaches them the secrets of becoming a spy or secret agent. It encourages imagination in a fun way with a lot of historical facts and interactive things to do. They are getting an education and they don't even know it, which is great for both kids and parents.

Now, if you think you have what it takes then sit back, relax and learn the way of the Secret Agent.
