Luxembourg and Lëtzebuergesch: Language and Communication at the Crossroads of Europe

This is a specially commissioned collection focusing on Luxembourg and its national language, Lëtzebuergesch. The contributors look at patterns of linguistic communication involving French, German, and English as well as Lëtzebuergesch in a nation which is both at the heart of the European Union and a very private and close-knit small-scale community. The book contains the first extended description of Lëtzebuergesch in English.
