Paved With Good Intentions: The Failure of Race Relations in Contemporary America Jared Taylor

“Paved With Good Intentions should be on everybody’s bookshelf.”

— Walter Williams, Syndicated Columnist

“Mr. Taylor’s book is easily the most comprehensive indictment of the race-conscious policies of the past three decades.”

— The Wall Street Journal

“A vitally important, shattering book.”

— The Washington Times

“The most important book to be published on the subject in many years.”

— National Review

“This book deserves to become a sensation, seriously considered by Americans with influence, blacks and whites alike.”

— Human Events

“The most outspoken book the Club has ever offered. And the most painful.”

— Conservative Book Club

“Jared Taylor’s timely and powerful book, Paved With Good Intentions, is unexpectedly breathtaking. This is a painful book to read, yet hard to put down.

“Few of our society’s leaders are willing to tell the truth in public about race in America themselves; many of them are not above suppressing it when others try to do so. The conspiracy of silence is part of Taylor’s tale as well, which in part explains why its impact is so unexpected and so profound. Let us hope that this important book does not itself become another victim of the conspiracy, and that it gains the visibility and attention it deserves.”

— Richard Herrnstein, Harvard University
