Revenge is a dish...

Plain-Jane bakery owner Natalie Anderson always follows the recipe for a safe life. That is, until her husband dumps her for a seductive older woman. Humiliated, she starts from scratch and cooks up a hot new look, transforming herself from mousy brown to dazzling blonde. Meanwhile she's trying to expand her Seattle bakery, but has a problem with her irritatingly handsome landlord.

Best served hot...

Women typically love Astronomer Anthony Novello, though that's not the case with his new tenant, Natalie. Plain, plump, and persnickety--he's never met a woman more annoying. He does everything he can to avoid her. But when Anthony returns from a telescope observing run, he makes a discovery of the non-celestial kind. Natalie has changed. He's amazed to find himself attracted to her and wants to convince her there's more to him than meets the eye.

To cheating husbands...

When her ex-husband sees her and tries to win her back though, Natalie is forced to choose. Is her old safe life the one she still wants? Or is her year of living blonde the best year ever.

Warning: Contains one hot astrophysicist, a curvaceous and stubborn heroine, steamy sex scenes, a villainous ex-husband, his crazy cougar mistress, and the story of how when opposites attract they sometimes--against all odds--fall in love.
