Carlos Hathcock : American Sniper Amy Paulsen

There are few names at the top of the list of military war heroes as well known or inspiring than Carlos Hathcock. His career, skills and tactics have had an enormous impact on military strategies across the armed services. A devoted Marine, he couldn't have known how much he would change the face of military strategy for not only his branch but the Army and Navy as well. A war hero, landmine survivor, multiple sclerosis sufferer, Sergeant Hathcock certainly had an impressive life. The stories of his escapades in the jungles of Vietnam precede the quiet and gentle man and serve as a startling contradiction. He was a sniper who didn't like killing, but he was damn good at it.
