Daily, modern media documents the educational crisis society is facing. Every day over 7,000 school-age teenagers decides to become high-school dropouts. Shockingly, in America, where public education is free over 1,300,000 struggling students annually fail to complete their high school education. Education is rapidly deteriorating. Therefore, questions are asked in the media. Blame is placed on teachers, students, parents, community and economics, but solutions are few. Don't Count Me Out, contains two books within one book. Book 1 details informational secrets and strategies to help children or teenager reach their highest scholastic potential. Book 2 takes the reader from Pre-K to 12th and early college years detailing in-depth scholastic solutions to make academic success possible for those who struggle in one or all subjects areas. Within the pages are years of proven educational secrets and solutions that have transformed children and teenagers into academic winners and achievers.
