Engaging with Muslims: Understanding their world; sharing good news John Klaassen

Many Christians in the west are fearful of engaging in conversations about their faith with Muslims—believing that they will be hostile to Christian beliefs and discussions about the Bible.

This short book is designed to help both Christians and whole churches understand more about the variety of Muslims there are living in the West, and to reach out to them with the good news of the gospel. Written at a level that everyone can understand, this book emphasizes the the importance of forming loving relationships—something that all Christians are able to do.
