Nocturno de Chile (Spanish Edition)

Roberto Bolaño

Nocturno de Chile (Spanish Edition) Roberto Bolaño

Una imprescindible y escalofriante novela donde el talento del autor de *2666* y *Los detectives salvajes* brilla en todo su esplendor.

Sebastián Urrutia Lacroix, sacerdote y crítico literario, miembro del Opus Dei y poeta mediocre, convencido de que está a punto de morir, revisa en una sola noche de fiebre alta los momentos y personajes más importantes de su vida.

Pero a medida que la noche avanza su fiebre va remitiendo y el delirio se atenúa con la aparición de los monstruos de su pasado. Así van desfilando por el libro una serie de personajes pintados con el surrealismo típico de Bolaño: los ambiguos Oido y Odeim; un pintor guatemalteco que se deja morir de inanición en el París de 1943; Farewell, el pope de la crítica literaria chilena; María Canales, una mujer misteriosa en cuya casona de las afueras se reúne lo más granado de la literatura; y el general Pinochet, a quien Urrutia Lacroix dio clases de marxismo.
