Tulip Anthology

Coveted by kings and admired by gardeners in ancient and modern times alike, the tulip has nearly brought nations to moral and economic ruin. *The Tulip Anthology* is a beautiful and comprehensive celebration of this most astonishing and beloved of flowers. Ron van Dongen's lush color photography is paired with visual art from the last thousand years, as well as writings on the mystery and wonder of the tulip from throughout human history. A foreword by best-selling author and tulip expert Anna Pavord explores the bloom's rich cultural history and rounds out this vast and sumptuous anthology. A deluxe gift for flower lovers, this book rivals the beauty of the tulip itself.
