Jeff finally has his life back on track after deferring his dreams so he can be there for his family when they were stuck with a health crisis. As a lifeguard and a law student, he is solely focused on graduating at the top of his class and passing the bar exam so that he can help his mom and sister.

In a blink of an eye, all of that changes when a beautiful redhead rescues a little boy right under Jeff's nose while he's lifeguarding and challenges everything he thought he wanted from the world.

Kiera, a former swimmer turned social worker is a distraction he never expected to encounter. She is smart, outgoing, witty, and vivacious and he is drawn to her more than he could have ever imagined.

Unfortunately however, both Jeff and Kiera come with strings attached. . .
