A Toast to Love and Sacrifice is the story of Simone Singer, a young, brash, female politician living three decades from now, whose quest to balance feminism and love, conviction and conformity, and life and death, is tainted by her overreaching ambition. Simone's world is an overpopulated one, where population control has necessitated a widely accepted medical procedure known as "Maladaptive Fetal Termination." Unfortunately for Simone, whose career as a politician lives and breathes according to popular opinion, the one man she loves, Jack, leads a rebel group of staunch opponents of the procedure who would go to any lengths to ensure the extinction of the MFT. Simone's journey toward securing a life with Jack takes her on a series of challenging and often dangerous life-altering adventures. Along the way, she learns lessons about forgiveness, strength, and family that force her to re-examine her own beliefs and conquer her own preconceptions about who she is supposed to be. A Toast to Love and Sacrifice is a story for anyone who enjoys prophecy, realism, romance, or self-analysis and is especially rich reading for those seeking a unique blend of these exciting genres.
