Dødsenglen (Danish Edition) Sara Blædel

Dødsenglen – et flere hundrede år gammelt og meget kostbart glasikon – har været i den stenrige familie Sachs-Smiths eje i generationer, men altid som en velbevaret hemmelighed. Derfor kommer det som et chok, da det en dag pludselig er væk, og bedre bliver det ikke, da politiet kan meddele familien, at morens død nogle måneder tidligere ikke var selvmord, men nu efterforskes som en drabssag.

Samtidig er Louise Rick fra drabsafdelingen på Københavns Politigård blevet involveret i en sag om en kvinde, der er meldt savnet under en rejse til Solkysten. En af politiets teorier er, at hun har ønsket at begynde et nyt liv, men da en kendt ?lminstruktør kort efter forsvinder sporløst i samme område, er Louise ikke længere i tvivl: De to kvinder er blevet bortført eller dræbt.

Da sagen om Dødsenglen optrappes med en gidseltagning, bliver Louise inddraget, og mens det langsomt går op for hende, hvordan Sachs-Smith-historien hænger sammen, ?nder hun samtidig et afgørende spor i forsvindings-sagen. Til hendes overraskelse viser det sig, at de to sager er for bundet, og at sandheden om den ene afslører sandheden om den anden.

From reader reviews:

Jimmy Borrelli:

Have you spare time for just a day? What do you do when you have far more or little spare time? Sure, you can choose the suitable activity to get spend your time. Any person spent their spare time to take a go walking, shopping, or went to typically the Mall. How about open as well as read a book eligible Dødsenglen (Danish Edition)? Maybe it is being best activity for you. You recognize beside you can spend your time using your favorite's book, you can smarter than before. Do you agree with their opinion or you have various other opinion?

Paula Adame:

The book Dødsenglen (Danish Edition) gives you the sense of being enjoy for your spare time. You may use to make your capable more increase. Book can for being your best friend when you getting tension or having big problem with the subject. If you can make examining a book Dødsenglen (Danish Edition) to get your habit, you can get much more advantages, like add your capable, increase your knowledge about several or all subjects. You may know everything if you like start and read a book Dødsenglen (Danish Edition). Kinds of book are a lot of. It means that, science book or encyclopedia or others. So , how do you think about this book?

Ellen Scherer:

Nowadays reading books are more than want or need but also turn into a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge your information inside the book which improve your knowledge and information. The data you get based on what kind of book you read, if you want have more knowledge just go with education books but if you want truly feel happy read one using theme for entertaining for example comic or novel. The Dødsenglen (Danish Edition) is kind of publication which is giving the reader erratic experience.

Rosalie Castillo:

Information is provisions for those to get better life, information presently can get by anyone in everywhere. The information can be a information or any news even a concern. What people must be consider when those information which is inside the former life are hard to be find than now is taking seriously which one works to believe or which one the actual resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Dødsenglen (Danish Edition) as your daily resource information.
