## Kenai River (River Journal Volume 2,1994)

*Anthony J. Route*

### **Kenai River (River Journal Volume 2,1994) Anthony J. Route**

This River Journal is one book in a continuing series highlighting the premier North American fly fishing rivers. For continuity, each issue is authored by one experienced writer/angler. Professional color photographs show the river in all its seasonal moods. Helpful area maps provide access information for anglers including river drifting, campgrounds, boat launching, shuttling, etc. There is much practical, insider fly-fishing help including timing of different insect hatches, matching flies to use, lodging, guide and fly shop services, additional bibliography, map sources, phone numbers, and addresses.

Each book in this series provides curious anglers with an in-depth, total experience of one river per issue and its fish and fly fishing opportunities: its beauty (through color photography), its fly fishing throughout the year, its natural history as well as angling history (including noted personalities who have contributed to the fabric of the river's fly-fishing lore), and the special fly patterns created for the river as well as standard patterns that work well, all beautifully shown in color plates.

Look for these other famous rivers in this book series: Madison (MT), Silver Creek (ID), Green River (UT), Yakima (WA), Thompson (BC), Pere Marquette (MI), Henry's Fork (ID), Salmon River (NY), Big Hole (MT), Penn's Creek (PA), Yellowstone Park (WY), Upper Sacramento (CA), McKenzie (OR), Miramichi (New Brunswick), Rio Grande (CO/NM), Clark Fork (MT), Au Sable (MI), Crane Prairie/Upper Deschutes River (OR), North Platte (CO), Rogue River (OR), White River (AR), Grande Ronde (OR), and Delaware (NY).
