Kink on a Budget: Make Your Own Sex Toys: A Guide to Affordable Homemade & Quality DIY Adult Toys (BDSM, Relationships, Couples, Intimacy, Sexuality, Marriage) (Stealth Ninja's Guide Book 2) Alexander Mind, Lorelei Steel

Just starting out in the kink scene? Not sure if this is for you? Don't want to spend a lot of money before you experience the pleasures of BDSM?

Kink on a Budget Part II offers proven and tested kinky sex toy ideas from household objects (40), as well as 7 fast and easy DIY projects. Each of them at a promising budget of \$10 or less.

Kink on a Budget -Stealth Ninja's Guide to Adult Toys- will give you instant access to BDSM toys that you may already have in your home, saving you both time and energy. Not to mention that this book will PAY FOR ITSELF with JUST ONE DIY project. The reason I wrote this book is because when I started out in the BDSM scene, I wasn't sure what to try or if spending a lot of money would be worth it. Especially if I ended up not enjoying these activities. So, instead of buying toys that were high risk and expensive, I began to slowly develop an eye for transforming ordinary household objects into the toys that most people pay hundreds of dollars for. I also witnessed how my girlfriend loved me even more for my creativity. The intimacy between us was never better. Now, I'm here to share the same secrets that I have slowly discovered over the years.

Afraid of getting caught with sex toys? Do you live with a roommate, parents, children, and you don't want to feel embarrassed if they find out about your 'unique activities'?

Kink on a Budget Part I or II is the "Stealth Ninja's Guide to Adult Toys" because none of these items will arouse any suspicion. Even the Homemade DIY projects are made from everyday objects, which are not noticeable to the untrained eye. Yet, the simplicity and effectiveness of these items means that you can have or build your kinky sex toys in less than an hour.

Includes Cute Plush Toys, which illustrate Each Item and Close-Up Pictures of the toy making process.

Most of these sexually stimulating activities are unknown to many people. With every toy comes a short description, easy and clear language, and specific safety measures to achieve the best possible experience with your open minded partner. Kink on a Budget shows couples everywhere how to bring more passion into their marriages and finally begin to enjoy the 'whips and chains' that excite them.

There is no need to be a millionaire and with this book, you will realize that your sex dungeon is your own bedroom and the equipment in your kitchen drawer. Most important, you'll learn new ways to motivate your spouse to take your need for more physical closeness to heart, and let the spanking marathon begin.

With insightful and often hilarious examples, Alexander Mind shows open-minded couples how to create new joy and 'sexcitement' in their relationships and make their marriage more satisfying both physically and

emotionally.
