Sales Pitch

There is a lot of buzz around the indie game Minecraft in the gaming world these days. It has become such extraordinarily famous that creators have made a temporary free-to-play version to prevent excessive load on their servers. Minecraft is an indie sandbox game that was originally created by a Swedish programmer. It is a unique game that is difficult to classify. Its pedigree consists of world building of Fortress, dungeon crawling of Rogue and directionless creativeness of LEGO.

Minecraft is not an easy-to-learn game and hence, it is impossible to understand the tricks and traits of the game on your own. In order to resolve this state of difficulty, here is the guide to help you understand the nick-knacks of the game and survive through your first night with monsters.
