That's Not My Name Yvonne Navarro

A woman abducted. A frantic husband. And no one can prove she exists.... One snowy night, in a suburban parking lot, a man finds the quarry he's been stalking for months. And Nola Elidad finds herself imprisoned by a strangely caring kidnapper—who insists she is his lost wife. Soon, he says—when she's no longer sick—she will remember who she is. But Nola knows she isn't the woman he claims ... or is she? A nightmare journey is about to begin, propelling her into the shifting shadows of her own memory.... Across town, Nola's husband of three months must admit to Detective Lucas Conroy that he knows nothing of his bride's former life. Nor, it seems, does anyone else—not her boss, not her doctor—or they're not saying. Who is Nola Elidad? Somehow, Conroy must find the answer, even if his search for the missing woman leads him into a dark past haunted by cruelty, subterfuge, and murder.

From reader reviews:

Floyd Hatfield:

As people who live in the actual modest era should be up-date about what going on or facts even knowledge to make these keep up with the era and that is always change and advance. Some of you maybe can update themselves by examining books. It is a good choice in your case but the problems coming to anyone is you don't know what one you should start with. This That's Not My Name is our recommendation to help you keep up with the world. Why, because this book serves what you want and wish in this era.

Billy Benitez:

Do you considered one of people who can't read enjoyable if the sentence chained from the straightway, hold on guys this specific aren't like that. This That's Not My Name book is readable through you who hate those straight word style. You will find the details here are arrange for enjoyable looking at experience without leaving possibly decrease the knowledge that want to deliver to you. The writer associated with That's Not My Name content conveys the thought easily to understand by most people. The printed and e-book are not different in the content but it just different as it. So , do you nevertheless thinking That's Not My Name is not loveable to be your top checklist reading book?

Joshua Miner:

Nowadays reading books become more and more than want or need but also become a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book that improve your knowledge and information. The data you get based on what kind of reserve you read, if you want drive more knowledge just go with schooling books but if you want sense happy read one with theme for entertaining such as comic or novel. The particular That's Not My Name is kind of e-book which is giving the reader unpredictable experience.

Lila Costillo:

Information is provisions for anyone to get better life, information nowadays can get by anyone in everywhere. The information can be a information or any news even a problem. What people must be consider when those information which is from the former life are challenging to be find than now's taking seriously which one is appropriate to believe or which one the resource are convinced. If you have the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All those possibilities will not happen throughout you if you take That's Not My Name as your daily resource information.
