My name is Kya and I thought my safe decisions would lead to the American dream. And it had. But then I get sent to Vegas to sign up and coming MMA fighter, Fenton, to an endorsement deal.

He's cocky, flirty, and looks downright delicious... But I've never crossed the line with a client before so I was determined to not with him. The only problem is he's more difficult than any potential client I've dealt with and my boss is depending on me to get him signed.

Maybe just this one time I can cross the line.

I'm totally screwed.
