## **Developing Glazes** Greg Daly

Developing your own glazes can be tricky and success is dependent on many factors. In this book, ceramicist Greg Daly aims to demystify the process with practical advice and complete, step-by-step instructions. He covers all the essentials, from planning your recipes and recording results to mixing glazes and finding the correct firing temperature. This hands-on technical guidance is supported with helpful how-to images and example tests and recipes. For any potter beginning to experiment with fired color, texture and decoration in their work, *Developing Glazes* is an essential reference, revealing workable, exciting methods for achieving the glaze results you want.
