*Boo!* It's Halloween, and the Little Einsteins are excited to trick-or-treat. Children will have a great time accompanying Leo, June, Quincy, Annie and Rocket for a Halloween adventure through ancient castles throughout Europe. With each stop, the team discovers, frights, and surprising sights of this spook-tacular holiday.

Building on the success of the Baby Einstein's 93% U.S. brand awareness, Little Einsteins keeps with the unique educational philosophy of using classical music, art, and real-world imagery to engage and teach preschoolers about the natural world around them. Anchored by a U.S. Video/DVD premiere in August 2005 and followed by a much-anticipated TV series in October 2005, the Little Einsteins series is sure to be the next beloved brand on the preschool reading level.
