**AUTHOR'S PREFERRED EDITION!**

A humorous paranormal romance by *USA Today* bestselling author Mindy Klasky.

Jane Madison has a problem. Or two. Or three. She's working as a librarian, trapped in absurd period costumes and serving up expensive lattes in an effort to keep her employer's budget in the black. She has a desperate crush on her Imaginary Boyfriend, a professor who uses her library. Her doting grandmother is determined to reunite her with her long-absent mother. And now she's been told she isn't getting a well-deserved raise—instead, she can live for free in an ancient, dusty cottage on the library grounds.

When Jane settles into her new home, she discovers a hidden chamber lined with books—a world-class collection on witchcraft. She begins to read, never suspecting she has the power to work actual magic. Her first spell awakens a smart-mouthed feline familiar. Her second makes her irresistible to men. Those magical workings draw an overbearing astral enforcer, David Montrose. Will magic solve Jane's problems? Or only bring her more disasters?
