Romance: JADEN: An MMA Fighter Romance (Bad Boy Tattoo Romance) (New Adult Pregnancy Short Stories) Kristen Chase

Like a true fairytale, it all started when Jaden saved my life and became my hero. However, I wasn't so sure this one was going to have a 'happily ever after'. I was definitely attracted to my hero, there was no denying that, but I wasn't so sure that my feelings would be reciprocated.

Would his muscular body, built to fight, covered in ink, fall in love with the extra padded curves and innocent nature that I held? My insecurities were always incredible when it came to clouding my judgement.

I never would have believed anyone if they told me that this man was going to be the one to not only save my life, but make another life with me. Was this bad boy ready to be my baby's father? Was I even ready to be a mum?
