Above All John W. Huffman

A Finalist in the Action/Adventure Fiction category of the 2011 Next Generation Indie Book Awards.

Above All, the third of the John Josph Sharpe trilogy series following America's Diplomats and Eyes of the Blind, is a lighthearted action-adventure historical fiction set in the waning stages of the Vietnam War which pits a consummate warrior against the political strangulation that rendered our armed forces virtually incompetent. It is a comical but sordid tale of a roguish gunship pilot and his nemesis, a petty commanding officer, who loathe each other at first sight. As fierce adversaries, they encompass the chaos of that era accompanied by a coven of nurses and a clandestine army of misfits who portray the best-and worst-of our country during that painful event. Their saga is one of love and lust, hope and despair, valor and cowardice, awash in a deluge of demoralizing apathy as they face the bitter ending of the conflict.
