## **Hades (The God Chronicles Book 3) Kamery Solomon**

What would you do if you discovered the world you thought you knew was nothing like you'd been lead to believe?

Katrina Saul has had a rough couple of months. Instead of starting out on the adventure of her life after graduating high school, she's been dealing with the nasty divorce of her parents, breaking up with her boyfriend, and working as the unofficial bouncer at a bar. When an angry customer comes back for revenge, she's saved by Erebus, the Greek Titan of myth. Unfortunately, a simple thank you won't fulfill her debt in his mind.

Thrust into the Underworld, with a mission that could potentially end life as she knows it, will she be able to fool the God of Death himself? Or will Hades discover her and ruin everything?
