Katie Bradley is the youngest of the Bradley sisters and works part time for a family law attorney's office while attending a Christian college part time. When it comes to dating men, Katie chooses not to follow in her sister's conservative footsteps. Meeting John on an online dating site changes her life forever, leaving her pregnant and the victim of an abusive boyfriend who is determined to keep her from having the baby. Katie fights to keep her baby, but when a medical emergency happens, Katie is faced with the fact her baby may not survive the pregnancy. Refusing to give up, Katie makes herself right with God and dedicates herself to giving her baby every chance to survive.

Daniel is a third year medical student who has dreams of becoming an obstetrician after observing the Bradley natural birthing classes taught at his mother's house. Growing up through high school and college, he would occasionally help out at his mother's class which gave him a newfound respect for women and the suffering they experienced through the natural birthing process. He meets Katie at his mother's birthing class, and when he finds out she has no partner, he offers to help her out. Their friendship grows and Daniel wants to be more than friends, but Katie feels unworthy to be loved and is afraid to open heart, especially after dealing with a crazy ex-boyfriend. Will God answer Katie's prayers and help her baby survive the insurmountable odds and be born alive? Can Katie overcome her fears and open her heart to experience true love for a man who genuinely cares for her? Redemption of the Heart is a story of inspiration and courage in spite of adversity and is inspired from real life experiences of women suffering from a medical condition known as oligohydramnios.
