Three months before she died Daina Harrow faced a bully at school.

Six weeks before she died Daina Harrow suffered an assault in the park.

One week before she died Daina Harrow stole a secret people had killed to hide.

That was ten years ago. Ten long years.

Now, her bones have been found on a building site. A coroner's inquest has been reopened. A parade of witnesses is about to start.

And Daina's here. Watching every day as her mother cries in the courtroom. Watching every day as her friends, and her enemies, and her killers lie about her on the stand.

Watching, and making sure that no matter what the coroner hears, you know the truth, the whole truth, and nothing but the truth.

So help you God.

Skeletal - a supernatural crime thriller.
