Solving Cold Cases: True Crime Stories that Took Years to Crack Andrew J. Clark

Chilling. One of the best words to describe the cases recounted in this book. These gruesome crimes seemed to hit a dead end... That is until the case was reopened for investigation years later and solved.

From the more famous cases to the more obscure, the crimes and hardships that the victims had to suffer will send shivers down your spine. Notably detailing the disappearance of Chandra Levy to the multiple murders committed by Dennis Rader.

You will find that this book includes:

- Bone chilling murder and disappearance cases
- The rise of DNA technology
- International cases from the United Kingdom
- More local cases from North America
- Ingenious methods that some investigators had to resort to in order to solve the cases.
- Cases that took decades to solve!
