In company with Christ and Adam, many believe Noah was the third greatest man that ever lived! He withstood the most wicked and perverse generation ever, which was led by the Devil, who constantly sought to destroy him and the life saving ark, or "God's temple upon the waters".

Noah walked with God! "The Book of Noah: Visions of God" is a sacred book of scripture containing visions Noah had during his walk with God in becoming the great father over all the earth. Important truths are found in these inspired verses, which proclaim the importance of man in the eyes of God, and His overwhelming love for each of us. This priceless and strengthening knowledge found here will fortify each of us in our struggle against a cunning adversary, who incessantly seeks to destroy our happiness, and often persuades men to shatter lives!

Countless mysteries are revealed as we discover the power and authority of God, which was bestowed upon our great grandfather, Noah. Discover how animals came forth at his command, how the wicked who sought Noah's demise were turned away, how the ark was lighted by God. Why "Holiness in the Clouds" or the rainbow, is a Heavenly token which means, God will not be mocked by the sinful choices of man. And, much much more!

SK Washburn is also the author of other great and sacred works. "The Book of Samson: The Destroying Angel" and "Beloved David: The Book of David" will be released shortly. Each of these books is written in scripture format and contains unparalleled insight, with uplifting and unique information. Never before have these stories been presented in such a clear and beautiful display of sculptured words. The story of Noah is one of the greatest stories known by man, but do you really know it?
