## The Farthest Shore: An Anthology of Fantasy Fiction from the Philippines

In 2008, two writers, Dean Francis Alfar and Joseph Nacino, sent out a call for submissions for a project they hoped would be a collection of Secondary Worlds—worlds significantly or even completely different from ours; ones in which our notion of Reality ""does not or never did exist,"" all conceived in the complex depths of the Filipino imagination. The result was the following collection of ""strange but not-so-unfamiliar worlds."" They published it online in 2009, and would later publish it in print. This, then, is perhaps the book coming full circle, in this new digital edition.

Welcome to worlds not our own. Welcome to The Farthest Shore.
