Return to USA TODAY bestselling author Christie Ridgway's Crescent Cove, California, where the magic of summer can last forever...

Globe-trotting photojournalist Gage Lowell spent carefree childhood summers in Crescent Cove. Now that he desperately needs some R & R, he books a vacation at Beach House No. 9—ready to soak up some sun and surprise old friend and property manager Skye Alexander. Their long-distance letters got him through a dangerous time he can't otherwise talk about. But when he arrives, the tightly wound beauty isn't exactly happy to see him.

Skye knows any red-blooded woman would be thrilled to spend time with gorgeous, sexy Gage. But she harbors secrets of her own, including that she might just be a little bit in love with him. And she's convinced the restless wanderer won't stay long enough for her to dare share her past—or dream of a future together. Luckily for them both, summer at Crescent Cove has a way of making the impossible happen....
