**The Pain of Helping: Psychological Injury of Helping Professionals (Psychosocial Stress Series) Patrick J. Morrisette**

The purpose of *The Pain of Helping* is to provide a source that identifies, condenses, and consolidates information pertaining to psychological injury. In addition to providing details regarding construct definition, information pertaining to symptomatology, assessment instruments (e.g. structured interview, questionnaires), treatment options, leading theoreticians, journals, books, and web sites are also included. This book will serve as a primary source and directory for additional information pertaining to psychological injury. To date, there has not been a concerted effort to synthesize and consolidate the literature of psychological injury and present this valuable information in a systematic and methodological fashion.
