The Path to Genocide: Essays on Launching the Final Solution (Canto original series)

Christopher R. Browning

The Path to Genocide: Essays on Launching the Final Solution (Canto original series) Christopher R. Browning

The Nazi Holocaust haunts the modern imagination as one of the most compelling examples of the human capacity for organized atrocity on a mass scale. This authoritative account of the evolution of Nazi Jewish policy from 1939 to 1942 seeks to answer some of the fundamental questions about what actually happened and why, between the outbreak of war and the emergence of the Final Solution. Christopher Browning's account assesses the historians' interpretations and offers his own insights, based on detailed case studies that uncovered important and telling new evidence.
