**A Small Case of Murder (A Joshua Thornton Mystery Book 1) Lauren Carr**  
AUTHOR'S REVISED EDITION!

Best-Selling Mystery Author Lauren Carr's debut novel, *A Small Case of Murder* (originally published in 2004) is set in the quaint West Virginia town of Chester, where everyone knows everyone, and there is never a secret that someone doesn't know. In such an intimate town, how many suspicious deaths can be left unquestioned?

Following his wife's death, Joshua Thornton leaves a promising career in the U. S. Navy's JAG division to move across country with his five children into his ancestral home. While clearing out the attic they find a letter written to their grandmother postmarked 34 years ago.

In the letter Lulu Jefferson wrote "...Remember that dead body we found in the Bosley barn?...I saw him today...I went to talk to the reverend and there was his picture on the wall." What dead body? His interest piqued, Joshua asks about Lulu and finds that in 1970 she died on the same day that she penned the letter implicating the pastor in an unreported murder. There is much more to this story than a 34-year-old letter. It's a 34-year-old mystery!

Today, a double murder has the whole town under a microscope. The state attorney general appoints Joshua special prosecutor to solve the crimes. In a small town where gossip flies as swiftly as a spring breeze it is impossible to know who to trust.

Asking simple questions about events long ago could prove to be deadly for Joshua and his family.

Read this Author Revised Edition of Lauren Carr's debut mystery novel. It's the same GRAND mystery, revised and edited for re-release by the author herself!
