## Divine Wisdom and Warning: Decoded Messages from God Nicholas Gura

Why are we here? Who really wrote the Bible? Was Jesus actually a messenger of God? Can science and religion be reconciled? Do we have free will? *Divine Wisdom and Warning: Decoded Messages from God* introduces a new way of using the ancient system of Gematria to solve these and other timeless questions. Nicholas Gura has developed an original technique, easily reproducible without the use of computers, that uncovers hidden, encoded messages in the Bible. These mathematically generated messages are both profound and metaphoric and will contribute to the meaning, quality, and purpose of our lives. *Divine Wisdom and Warning* reveals new insights on the parting of the Red Sea, suffering, quantum physics, the environment, treatment of women, and answers the eternal question: What is God's true religion?
