His Absolute Assignment: An Illicit Billionaire Love Story (Elise, #1) Cerys du Lys

## I am his absolute obsession...

Six months ago I was trapped in a library with a man who wanted to possess me. For three days, a record-breaking blizzard kept me confined with Lucent Storme, the dominating and enigmatic Director of Public Relations for Landseer Enterprises. Rumors existed of his forbidden desires and darker passions, but I didn't believe them. I should have. For one weekend, I became Lucent's sole obsession.

When the snow began to melt, he tried to leave me. He thought he could save me from himself, from his control. I didn't let him. I was already his.

*From USA Today Bestselling Author Cerys du Lys ~*

Six months ago my entire life changed. I never meant to fall in love--especially not with Lucent--but his allure transcended common sense and tapped into a dark, primal need inside me that I didn't know existed. The snow melted, our lives quieted, and everything seemed to be going perfectly.

Until today.

I thought I knew Lucent, but I realize now I never really did. A mysterious calm exists even within the eye of the darkest storms. I love Lucent. I am his and he is mine. I want to believe he is a good man. After seeing another side of him, after being the object of his absolute obsession, I fear I might have fallen in love with a monster.

*(This scintillating steamy romantic suspense novel contains themes of domination and submission)*
