Soccer Strategies: Defensive and Attacking Tactics Robyn Jones, Tom Tranter

Aimed primarily at intermediate and advanced coaches, this book examines the principle formations used in modern soccer and the need to fully understand them all if one is to adapt to game situations using counter-active tactics. The authors discuss such offensive topics as support, width, penetration, mobility and improvisation. Defensively, they provide insight into depth, delay, concentration, team balance, cover and restraint. Chapters include: Three Man Defense, Four Man Defense, One Forward System, Two Forward System and Three Forward System. Well organized and clearly written.
