**Trickster Blood (Latter-Day Olympians)** Lucienne Diver

*Hermes, the god of tricksters, walk away from mischief and mayhem? As if.*

*A Latter-Day Olympians Prequel*

Hermes (yes, *that* Hermes of Greek myth) has an unerring nose for mischief and mayhem, which comes in handy as a syndicated columnist for the *Miami Sentinel*.

When a colleague offers to forgive a lost bet in exchange for checking on his father in Ft. Lauderdale, Hermes's Spidey senses go on high alert. The father, it seems, has taken up with his *much* younger housekeeper. The suspected foul play has trickster written all over it.

The young woman who answers the door almost knocks Hermes back a step with her shining golden hair and laughing, kaleidoscope eyes. Oh yeah, there's a trickster here. But which one? For once in his eternal life, Hermes isn't sure whether he should stage an intervention, or leave the "happy couple" to their mutually assured destruction.

Especially since Farrah is much more than she seems, and Hermes is all about fun...and frolic.

*Warning: Full of tricksters, trouble, and an intriguing temptress who may be more than our hero can handle. Not that he won't give it his best shot!*
