From BESTSELLING author Stevie MacFarlane.

Fresh out of Mrs. Pettigrew's School for Young Ladies, Amelia Westcott and her two best friends are ready for adventure. Suddenly a life filled with social obligations and meaningless gossip seems unappealing. On a whim, the girls investigate the phenomena of young women heading west to marry, and Amelia is captivated by the freedom such a decision offers.

Hugh Jordon needs a wife. The severe shortage of women in the Pacific Northwest makes advertising for a bride seem reasonable. As long as he finds a wife who is the exact opposite of his tempestuous mother, he'll be well-satisfied. Studying the applicants, he chooses one that seems to best fit his needs, and delegates his head clerk with the critical task of sending polite rejections to the others. Unfortunately, most of them never get the letter Hugh anticipated and soon the brides descend, all expecting to marry the same man!

Amelia is horrified and realizes that the adage "marry in haste, repent at leisure" has never been more true. How could he do that to her? What sort of man was he, to propose to so many women? She simply must have their wedding annulled and return to Massachusetts at once.

Hugh has other ideas. In his opinion, the perfect place for his new bride to learn about faith, loyalty and commitment is in his home and firmly over his knee!

"Amelia: The Marriage Market Book One" is a spicy historical romance with domestic discipline themes, including the old-fashioned spanking of adult women. If such themes disturb you, please do not buy "Amelia."
