Japanese Homes and Their Surroundings (Kegan Paul Japan Library) Edward S. Morse

Written by the author of *Glimpses of China and Chinese Homes*, this volume details the various indoor and outdoor features of traditional Japanese homes. Fully illustrated by the author, the book describes all aspects of Japanese domestic architecture, from the tiles used on the roofs to the mats used on the floors; from the layouts of the rooms to the housewares used to fill them. Then, he moves outside to delight the reader with the splendor of the flowers, trees and water features of the Japanese garden. Finishing with a chapter describing the differences and similarities between Japanese homes to those of the Ainu, Koreans and Chinese, this is one of the most comprehensive books written on the subject and is a must for lovers of all things Japanese.
