Moon of Israel: ATale of the Exodus: Set My People Free

H. Rider Haggard

Moon of Israel: ATale of the Exodus: Set My People Free H. Rider Haggard

This book suggests that the real Pharaoh of the Exodus was not Meneptah or Merenptah, son of Rameses the Great, but the mysterious usurper, Amenmeses, who for a year or two occupied the throne between the death of Meneptah and the accession of his son the heir-apparent, the gentle-natured Seti II. Of the fate of Amenmeses history says nothing; he may well have perished in the Red Sea or rather the Sea of Reeds, for, unlike those of Meneptah and the second Seti, his body has not been found. Students of Egyptology will be familiar with the writings of the scribe and novelist Anana, or Ana as he is here called. A Tale of intrigue, adventure and betrayal.
