## **Series of four algebra workbooks**

This set of four problem-solving books follows the traditional one-year algebra course, covering the main algebraic principles.

**Book A** begins the year with exercises in simplifying numerical expressions and moves on to one-variable equations.

**Book B** follows with operations in polynomials, solving polynomial equations, and working with rational expressions.

**Book C** involves proportions, graphing linear equations, plus inequalities and absolute value equations.

**Book D** completes the course with roots and radicals, quadratic equations, and analysis of quadratic equations.

Interest Level: 8-12
