## Chris had never really fit in with the other kids...

### Chris:

He says I'm a dragon.

A *fire* dragon.

And that he's an ice dragon?

It's not that I think he's a liar, or anything.

I mean, he's my professor, and he's never lied to me before.

But it all just sounds too good to be true.

Not to mention, it would explain why I've been the outcast all my life.

And why he took such an interest in me in the first place.

Still, it's nice to be wanted, for once.

I just wish he'd explain what's going on with me.

I'm an adult – his dragon *mate*, he said.

I can handle it.

### James:

I've been scenting a fire drake for months now.

I never would've guessed it was the skinny redhead from my third class.

Luckily, his blood awoke when I was around to claim him.

Now we're mated, as two drakes should be.

Except, he wasn't raised a dragon – didn't *know* he was a dragon.

He's a half, actually.

Still thinks too much like a human.

At least he didn't balk at our mating.

But I worry that the pregnancy will be harder for him to grasp.

Note: Fire for Ice is a standalone M/M professor student story, with steamy love scenes, Mpreg and a HEA ending!
