Understanding the Faith: A Survey of Christian Apologetics Dr. Jeff Myers

Does the Bible have authority in a world committed to relative truth?

The understanding of absolute, objective truth has been largely lost. Spend just a few minutes discussing politics or religion and you'll hear responses like, "There is no truth!" or "That may be true for you, but not for me." *Understanding the Faith* dares to wade into the middle of the controversy with chapters such as:

- Is God Christian?
- Isn't Claiming Truth Intolerant?
- Is the Bible Anti-Science?

Summit Ministries' half century of teaching, this first volume of the Understanding the Times Series is your definitive resource for deepening and defending your faith. It's a required resource for every Christian's bookshelf.
