The first installment in the Welcome to the Jungle collection of short stories. Buy Me a Ticket on an Aeroplane part 1 (of 3) is a humorous look at the author's travel home and back again. Truth and exaggeration are blurred, but the reality is not. We're pretty sure these events have happened to you, you just didn't write about them.

"Welcome To The Jungle; A Collection of Dangerously Exaggerated Adventures, Short Stories, and Tall Tales from My Life."

A series of short stories based on events in the author's real life. Slightly exaggerated, overblown, humorous, and fiendishly side tracked story within story adventures. If you read each story carefully enough you will be splitting your sides with laughter one minute and feeling the author's pain the next. Each story in the series is independently funny and unexpectedly connects to another without warning (well in some cases a big warning). Collect the whole series to see how life comes together in the most unusual ways.
