Goldilocks And The Three Bears Jim Aylesworth

The dynamic team who created the best-selling Gingerbread Man and The Tale of Tricky Fox is back with the beloved classic about a curious little girl who can't quite remember to do what she's told...

"Once upon a time, there lived a little girl named Goldilocks, who was very, very good, except that sometimes she forgot to do things that her mother told her to do. Yes she did... "

But worse is when she forget's not to do what she is told not to do. For sometimes that can lead to much more serious trouble....like what happened the day of this story. McClintock's art, that is reminscent of 19th Century children's book art, perfectly compliments Aylesworth's playful, original, and very involving rendition of the classic Three Bears story.
