Do You Know the Five Step Process for Turning Your Dreams Into Reality?

Many of us are constantly **trying to unlock the secrets of success**. But, most of the time we are looking in all the wrong places. There are thousands of successful people in all walks of life. People who have figured out exactly **what it takes to transform ideas into wealth and achievement**. Author Patrick Rahn has examined the life and teachings of some of the most successful people and discovered they all use a similar five step process. **This book will take you step by step** through the same process everyone from **Oprah, Tony Robbins, Brian Tracy to Michael Jordan** has used to reach the tops of their fields. Along the way you will develop important success building skills. **You will also see how successful people have applied these same lessons in their own lives. Inside this book you will learn:**

- The power of **proper goal setting**
- How to **set yourself up for success** before you even get started
- What it takes to **become a problem solving genius**
- How to **select the right goal for you**
- The best way to **develop an action plan**
- How to get **from planning to action**
- And Much More

If you are ready to **make a change in your life** and leave frustration and failure behind, you need this book right away. The sooner you start applying the principles of **Mindset of Success in your own life, the sooner you will finally find the success you have always dreamed of.**
