Routledge Handbook of Civil Wars

Routledge Handbook of Civil Wars

This comprehensive new Handbook explores the significance and nature of armed intrastate conflict and civil war in the modern world.

Civil wars and intrastate conflict represent the principal form of organised violence since the end of World War II, and certainly in the contemporary era. These conflicts have a huge impact and drive major political change within the societies in which they occur, as well as on an international scale. The global importance of recent intrastate and regional conflicts in Afghanistan, Pakistan, Iraq, Somalia, Nepal, Cote d'Ivoire, Syria and Libya – amongst others – has served to refocus academic and policy interest upon civil war.

Drawing together contributions from key thinkers in the field who discuss the sources, causes, duration, nature and recurrence of civil wars, as well as their political meaning and international impact, the Handbook is organised into five key parts:

- **Part I:** Understanding and Explaining Civil Wars: Theoretical and Methodological Debates
- **Part II:** The Causes of Civil Wars
- **Part III:** The Nature and Impact of Civil Wars
- **Part IV:** International Dimensions
- **Part V:** Termination and Resolution of Civil Wars

Covering a wide range of topics including micro-level issues as well as broader debates, *Routledge Handbook of Civil Wars* will set a benchmark for future research in the field.

This volume will be of much interest to students of civil wars and intrastate conflict, ethnic conflict, political violence, peace and conflict studies, security studies and IR in general.

From reader reviews:

Lisa Auyeung:

As people who live in the actual modest era should be upgrade about what going on or info even knowledge to make all of them keep up with the era that is certainly always change and advance. Some of you maybe can update themselves by examining books. It is a good choice for yourself but the problems coming to anyone is you don't know what one you should start with. This Routledge Handbook of Civil Wars is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Rose Cordeiro:

Often the book Routledge Handbook of Civil Wars will bring that you the new experience of reading some sort of book. The author style to describe the idea is very unique. When you try to find new book to see, this book very acceptable to you. The book Routledge Handbook of Civil Wars is much recommended to you to learn. You can also get the e-book through the official web site, so you can easier to read the book.

Sang O'Connor:

Precisely why? Because this Routledge Handbook of Civil Wars is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will zap you with the secret the idea inside. Reading this book beside it was fantastic author who also write the book in such wonderful way makes the content interior easier to understand, entertaining means but still convey the meaning completely. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of rewards than the other book have such as help improving your proficiency and your critical thinking method. So , still want to delay having that book? If I were you I will go to the e-book store hurriedly.

Pearl Dyson:

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just little students that has reading's internal or real their hobby. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Routledge Handbook of Civil Wars can make you feel more interested to read.
