The Queen of Lies (Architects of the Grand Design Book 1)

Michael J. Bode

The Queen of Lies (Architects of the Grand Design Book 1) Michael J. Bode

Maddox is a mage with dreams of immortality and a drinking problem. Heath is a faithless priest working as an assassin for hire, paired with a sentient sword. Jessa, the last daughter in a long line of Thrycean tyrants, is a timid young woman seeking to escape her domineering mother, Satryn.

Rivern, the greatest city in the Protectorate, is a place of arcane magic and mechanical wonders that has stood for five hundred years as a bulwark against the tyrannical Stormlords of Thrycea. But Rivern's strong foundation is beginning to crack. People are dying in their sleep, the dead are walking the streets, refugees are flooding the city, and a mysterious Harbinger has returned with dire omens that could mean the end of the Protectorate.

Murder, magic and politics create a menacing tangle that the three must resolve before the Protectorate is crushed. But first they must save each other.

Includes the first chapter of the sequel, The Mirrored City
