Wish in One Hand (Once Upon a Djinn Book 1)

B.E. Sanderson

Wish in One Hand (Once Upon a Djinn Book 1) B.E. Sanderson

Jo Mayweather has one mission – to save her fellow genies from those three little wishes. A supernatural killer has other ideas, and now she's not sure if she can even save herself.

'Be careful what you wish for.'

In hindsight, Jo Mayweather should've taken those words seriously back in 1926. Of course, spoiled brat, flapper-girl that she was, Jo probably would've made the not-so-clever wish that turned her into a genie anyway.

Being endowed with phenomenal power may have its perks but, for the most part, life's been a pain in her tiny hiney. After running into a 'slash first, ask questions never' genie, her problems only worsen. Some demented thing is making wishes that can't be granted and djinn are dying. Now, instead of freeing her brethren from their bonds, Jo has a killer to neutralize.

If she'd kept her mouth shut ninety years ago, she wouldn't be in this mess. But she's got a job to do despite some reject from a bad B-movie trying to ruin everything she's worked so hard for. Too bad this time doing her job might get her killed.

Or worse—enslaved again.
